Beginning this fall, a new Student Organization Travel Policy will be in place to govern all university-sponsored travel by undergraduate student organizations. The policy includes a trip registration process that must be completed by the group before traveling, and individual waivers that must be completed by each traveler. The entire process can be completed online via OrgSync, and shouldn't take more than 5-10 minutes.

The full policy can be found...

Profile

This OrgSync page is used for **ALL CLUB SPORT** participants. All of the necessary files and forms to be a participant in club sports can be found to the right. **All participants are required to complete the "Club Sport Participant Form" before becoming an active member.**

## DESCRIPTION

The purpose of the Federation of Club Sports is to establish and administer activities which will promote student involvement in individual sports and recreational interest clubs. The mission of the Federation of Club Sports is to provide diverse, competitive, recreational, and instructional sport opportunities for university of miami students, faculty, staff, and alumni across a broad range of skill levels and sports experiences.
